

Smart thermostats for small businesses

Put technology to work for your business. Now you can get an **ecobee3 lite smart thermostat** and professional installation—a \$229 value—for **just \$39** through BGE's Small Business Energy Solutions Program.

Benefits

With a Wi-Fi-enabled smart thermostat, you'll enjoy the following benefits:

- **Savings.** Save up to 10% on your annual heating and cooling costs.*
- **Convenience.** Control your heating, ventilation and air conditioning system from anywhere using your smartphone, tablet or computer.
- **Automated settings.** Set back your heating and cooling system automatically on evenings and weekends when your business is closed or when spaces are unoccupied.
- **Increased comfort.** Rely on your thermostat's ability to monitor weather changes and adjust the temperature to maintain comfort and lower costs.
- **Tamperproof.** Use the optional lockout feature to keep employees from tampering with the temperature.

To schedule an installation, contact our participating contractor.

SmallBusinessEnergySolutions@scope-services.com

*Savings compared to a conventional thermostat operating a 5-ton rooftop unit providing electric heating and cooling in a small retail environment. Your savings could be more or less depending on your equipment, fuel source, operating hours business and building type.

EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to **BGESmartEnergy.com**.

Smart thermostat features

Here are some of the helpful features of a smart thermostat.

- **System mode.** Shows your current ecobee setting [heat/cool/auto/off].
- **Temperature.** Shows the indoor temperature of your business.
- **Humidity.** Shows the indoor humidity.
- **Menu.** Enables you to control your system based on your hours of operation and more.
- **Weather.** Shows the local weather and forecast for the week.
- **Quick Changes.** Lets you switch easily between Home and Away.

A \$229 value for just \$39!

Includes professional installation and programming.
